**Petition in relation to A royal Commission into the Sandalwood Industry run by
Forest Product Commission.**

To the President and Members of the Legislative Council of the Parliament of Western Australia
in Parliament assembled.

We the undersigned residents of Western Australia are opposed to the mismanagement and
unsustainability of the sandalwood industry under the management of Forest Product
Commission.

Your petitioners therefore respectfully request the Legislative Council to support a royal
commission into Forst Product Commission and that all sandalwood operations cease, pending
the findings of a royal commission,

And your petitioners as in duty bound, will ever pray.
