PETITION IN RELATION TO TOWN OF VICTORIA PARK

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia are seriously concerned about the actions of the Town of Victoria Park administration and its Council members in a number of areas including, but not limited to:

- a significant yet unjustified rise in rates for the third consecutive year;
- recommendations for major development approval do not clearly document and record community concerns and input when presented to Council for endorsement;
- actions that do not represent the community views obtained by the Administration through the consultation process;
- significant delegation of authority in a number of areas to the CEO;
- lack of transparency in the decision making process by Council.

Your petitioners therefore respectfully request the Legislative Council to recommend an urgent inquiry into the conduct of the Town of Victoria Park Administration and Elected Council Members.

And your petitioners as in duty bound, will ever pray.
