PETITION

I, Namita Mehra, of _____, in the State of Western
Australia, am the promoter of this petition which contains 726 signatures.

**PETITION IN RELATION TO HALTING ALL MULTI UNIT DEVELOPMENT APPLICATIONS FOR UNTIL
THE MULTI UNIT DEVELOPMENT GUIDELINES AND ZONING FOR THE 10 HOUSING
OPPORTUNITY AREAS IN THE CITY OF JOONDALUP ARE PROPERLY REVIEWED.**

To the President and Members of the Legislative Council of the Parliament of Western Australia in
Parliament assembled.

We the undersigned would like an immediate halt to all building applications for hi-density developments
above R30 within the 10 Housing Opportunity areas in the City of Joondalup.

We want the WAPC to properly review the 10 nominated areas and guidelines for multi-unit and group
dwellings, in the 10 Housing Opportunity Areas within the city of Joondalup and engage in proper
community consultation, to ensure appropriate densities that are sensitive to the residents, and
community needs and in keeping with the amenity of the areas.

Now we respectfully ask the Legislative Council to direct the Minister to support the City of Joondalup to
halt the progress of all multi-unit and group dwellings above R30 so that no approvals are granted until the
WAPC has thoroughly consulted the community and completed the above mentioned review.
