 **PETITION** 

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia respectfully and strongly support the provision of an additional Route 344 bus service arriving at the South Ballajura Community Centre at or near to 9am.

We are concerned that the current services are not adequately providing for the local seniors and impose unnecessary inconvenience.

Your petitioners therefore respectfully request that the Legislative Council do everything in its power to ensure that an enhanced Route 344 service is provided for Ballajura residents.

And your petitioners as in duty bound, will ever pray.
