**PETITION TO SEEK AN INDEPENDANT REVIEW OF THE MINING AMENDMENT BILL CHANGES FOR SMALL MINERS**

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned request that the Legislative Council to review the proposed changes to the Mining Amendment Bill 2015 and direct a committee of the Legislative Council to conduct an independent review that will take into consideration the genuine concerns of small miners and the affects the increased regulation will have on their operations financially.

Your petitioners therefore respectfully request the Legislative Council to support the allocation of an independent review to urgently review the legislative changes and suggest changes that will protect the small miners and their essential role in the mining industry and regional economy.

And your petitioners as in duty bound, will ever pray.
