

I Lynn Borg

(268)

in the State of Western Australia, am the promoter of this petition which contains 302 signatures.

Petition calling on the State Government to investigate the relocation of the Telstra Mobile/NBN Co Telecommunications Tower planned for Bindoon from Bell Hill Reserve to Parkinson's Hill

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia note that the State Government has provided funds to Telstra for the purpose of locating a mobile phone/telecommunications tower jointly with NBN Co. in Bindoon. As residents we object to Bell Hill Reserve (2 hectares) as the proposed location for this tower. We believe there has been insufficient cultural and environmental assessment of the site. Bell Hill Reserve is considered a culturally significant site and is subject to Yued Aboriginal Heritage Investigation (HIS-5202112-1702 and HIS-5184324-170).

Your petitioners therefore respectfully request that the Legislative Council investigate the relocation of this mobile phone/telecommunications tower to an existing site on Parkinson's Hill or to another suitable location.

And your petitioners as in duty bound, will ever pray.
