Litter bisecting the Walpole Wilderness

To the President and Members of the Legislative Council of the Parliament of
Western Australia in Parliament assembled. We the undersigned ...

express concern regarding litter and its associated clean-up along the section of
Highway 1 between Manjimup and Denmark bisecting the protected Walpole
Wilderness Area. At a time of global concern regarding climate change, carbon
capture and plastic pollution, preserving the Walpole Wilderness Area is of
international significance. We therefore ask the Legislative Council to support
measures to ensure ongoing management of this litter, including the provision of
appropriate funding to facilitate regular clean-up of Highway 1 bisecting the Walpole
Wilderness.

And your petitioners as in duty bound, will ever pray.
