**PETITION IN RELATION TO MOBILE TELEPHONE COVERAGE, EYRE WA**

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia believe that inadequate mobile telephone coverage in the Eyre region is putting lives at risk and ask for the State Government's support to improve telecommunications for communities from Norseman to Eucla.

Your petitioners therefore respectfully request the Legislative Council to recommend the State Government investigate the current standard of communications and assist in the provision of services which are reliable for this isolated region of the State.

And your petitioners as in duty bound, will ever pray.

Please return this Petition to **Kelly Flack**,  
This petition must not be altered and only original signatures are permitted. Faxed copies of signatures cannot be accepted.

I certify that this Petition is in  
conformity with the Standing Orders  
of the Legislative Council  
CLERK OF THE LEGISLATIVE COUNCIL.
