CLERK OF THE LEGISLATIVE COUNCIL

PETITION IN RELATION TO PLANNING FRAMEWORK, ADMINISTRATION, RULES & REGULATIONS IN WESTERN AUSTRALIA

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned are seriously concerned about the manner in which planning decisions are made by the Minister for Planning, the West Australian Planning Commission, Development Assessment Panels, the Metropolitan Redevelopment Authority and Local Government Authorities.

We therefore ask the Legislative Council to initiate an inquiry and review of the current framework which is a fragmented inefficient planning system without proper oversight, is regularly applied contrary to both legislative requirements and informed community interest and does not provide procedural fairness and natural justice via third party appeal rights.

And your petitioners as in duty bound, will ever pray.
