**PETITION IN RELATION TO PROPOSED REALIGNMENT OF THE SOUTHWEST FREIGHT RAIL
LINE – REFER TO PREVIOUSLY SUBMITTED PETITION NO. 170 (TABLED IN THE PREVIOUS
PARLIAMENT)**

To the President and Members of the Legislative Council of the Parliament of Western Australia in
Parliament assembled. This petition follows on from Petition No. 170 that was tabled in the
previous Parliament.

We the undersigned are opposed to the altered freight rail line realignment south of Mundijong
Road as shown on the Shire of Serpentine Jarrahdale Mundijong District Structure Plan 2020.
These proposed routes drastically alter the freight line realignment from previous published
designs without significant consultation with the impacted landowners and residents. Existing
landowners purchased their properties on the basis of the Shire's district structure plan that was
current at the time of their purchase. The route proposed in these plans were consistent between
the years of 2008 to 2018.

The new proposed routes from south of Mundijong Road to Wright Road will now impact newly
built homes and has already had an adverse impact on the properties values and saleability. The
impacted properties are blighted by the proposed route. The affected landowners have no
security and face an uncertain future until such time as the matter is resolved. For many affected
landowners, time is of the essence in seeking a mutually acceptable resolution.

We therefore ask the Legislative Council to recommend that the Department of Transport, Main
Roads, Arc Infrastructure and Public Transport Authority engage with all local affected landowners
to investigate options that will see the rail delivered as per the previous realignment that follows
the proposes Tonkin Highway.

And your petitioners as in duty bound, will ever pray.

I certify that this petition conforms with
the Standing Orders of the Legislative Council.

CLERK OF THE LEGISLATIVE COUNCIL
