To the Honourable the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned residents of Western Australia, respectfully ask the Legislative Council to call on the Government to:

express our concerns over the general lack of consideration given by the tenant and her three sons who reside at number 18 Condicote Loop. For the last three years we have endured escalating levels of anti-social behaviour, including loud music emanating from the house at all times of the day, constant foul, extremely offensive and abusive language from ALL members of the family and degrees of hygiene and sanitation (or more precisely a lack thereof), particularly at the rear of the house, which leave a great deal to be desired.

**(All signatories are over 18 years of age)**

And your Petitioners as in duty bound, will ever pray.

I certify that this Petition is in conformity with the Standing Orders of the Legislative Council
