PETITION IN RELATION TO PAYMENT OF SEWERAGE RATES IN WYNDHAM (NEW TOWN)

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament Assembled.

We the undersigned residents of Western Australia respectively oppose the payment to the Water Corporation of our full sewerage rates. As residents in Wyndham (new town) we currently pay the Water Corporation full sewerage rates for the removal of grey water only. We must supply our own septic tanks and arrange for pump-outs of those tanks with no assistance from the Water Corporation.

Your petitioners therefore respectfully request that the Legislative Council will investigate the current charges that Wyndham (new town) residents must pay to the Water Corporation, and if there is any reimbursement that residents who pay these rates can be offered in lieu of services received by the Water Corporation.

And your petitioners in duty bound, will ever pray.
