PETITION IN RELATION TO POLICE ACCOUNTABILITY

I certify that this Petition conforms with
the Standing Orders of the Legislative Council

CLERK OF THE LEGISLATIVE COUNCIL

To the President and Members of the Legislative Council of the Parliament of Western Australia in
Parliament assembled.

We, the undersigned residents of Western Australia respectfully oppose the current system of accountability for Western Australian Police. It results in unfair and unjust outcomes to communities, citizens and to the Police themselves. **In particular, Indigenous West Australians are over-impacted.**

Senior Officers and Police trying to do the right thing need to know those who do not will face **legal** consequences, instead of tolerating corruption. That those who do their duty will be rewarded; that their workplace operates at the highest standard.

This can never happen while police investigate their own, with the means and power to conceal. We want independent 3rd party investigators from other countries and states, highly educated and trained in ethical principles to **assess the truth** in every case, on behalf of all W.A. communities and the Police themselves.

And your petitioners as in duty bound, will ever pray
