Dear Mr Chairman

Petition No. 068 - Rossmoyne and Willetton Senior High Schools

Thank you for your letter of 21st May 2018 inviting my further written submission.

The matters raised in the petition are essentially self-explanatory. There are two main threads of concern: firstly the funding levels available to the schools and secondly the implications of the failure to deliver Stage 3 of building improvements at Willetton SHS. I understand the principal petitioner will be making a further submission to expand on these concerns.

This issue has not, as far as I am aware, been taken to the Parliamentary Commissioner for Administrative Investigations (Ombudsman).

I appreciate the Committee's consideration of this matter and suggest the Committee consider visiting the Willetton SHS campus to aid its deliberations.

Yours sincerely

A handwritten signature in black ink, appearing to read 'Simon O'Brien'.
