PETITION IN RELATION TO POWER OUTAGES IN KALBARRI

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia are opposed to the current standard of electricity provision by Western Power to the town of Kalbarri. The businesses and residents of the town have experienced 77 power outages in the past 2 years, both planned and unplanned. This is unacceptable.

Your petitioners therefore respectfully request the Legislative Council to support upgrading the service to enable the township, its residents, businesses and visitors to receive uninterrupted power supplies.

And your petitioners as in duty bound, will ever pray.

I certify that this Petition is in conformity with the Standing Orders of the Legislative Council
