Supplementary Information No: B19

Division: Western Australian Meat Industry Authority

Daily *Hansard* page No. (if available): E71

*Question: Mr Love asked whether the Minister could provide details of information the amount of funds that have been contributed to the operating costs and reducing the overall fees and charges to farmers from the funds held by the sale of the Midland saleyards.*

*Answer:*

From 2016-17 to 2022-23, a net total of \$1.39 million from WAMIA funds contributed to the operating costs and reducing the overall fees and charges to farmers.

Prior to the 2016-17 financial year, the Muchea Livestock Centre was operated through the Livestock Logistics WA, a joint venture between WAMIA and livestock agents.
