MOTIONS ON NOTICE

1. National Disability Insurance Scheme (*Notice given 23 May 2017*)

Resumption of debate adjourned Hon Stephen Dawson — 14 mins (Wednesday, 11 October 2017), on the motion of Hon Alison Xamon as follows —

That this House notes the significant impacts on people with disability and their families of ongoing uncertainty about which form of NDIS will be adopted in Western Australia.

Whether the Government decides to adopt the NDIS or the NDIS My Way model, it is imperative that those whose lives will be most affected by the decision are kept informed in an ongoing and meaningful way.

Furthermore, it is essential that a co-design model for engagement that involves people with disability and their families in the design of governance, policy and operational aspects is developed to inform the delivery of whichever scheme is agreed to.

Noting the significant uncertainty in the funding of disability services in Western Australia, this House calls upon the Government to ensure that there are mechanisms in place to —

- (a) ensure people with disability and their representative organisations are included in governance structures and inform service delivery design; and
- (b) that the decision making process is fully transparent.

Total time remaining on motion – 2hrs.

2. Metronet (*Notice given 23 May 2017*)

Hon Alanna Clohesy: To move —

That this House congratulates the McGowan Government on its Metronet policy and notes the benefits Western Australia will derive, including the jobs to be created, from this transport and planning initiative.

3. Building and Construction Industry Training Fund (*Notice given 23 May 2017*)

Hon Martin Aldridge: To move —

That this House:

- (a) notes that the introduction of the Building and Construction Industry Training Fund has supported the training and employment of more than 48,000 apprentices and trainees and has helped over 340,000 industry workers to upgrade their skills;
- (b) notes the *Review of the Operation and Effectiveness of the Building and Construction Industry Training Fund and Levy Collection Act 1990* of June 2014 that recommended the amendment to regulations to withdraw the current exemption from the payment of the levy applying to engineering construction projects in the resources industry;
- (c) supports the amendment of regulation 3AA of the *Building and Construction Industry Training Fund and Levy Collection Regulations 1991* therefore requiring construction projects in the mining and petroleum industry to contribute to the training and skills development in the building and construction industry; and
- (d) calls on the Government to immediately amend the regulation to support local job creation and skills development across the building and construction industry.
