LEGISLATIVE COUNCIL

QUESTIONS ASKED TODAY

Notice Given *Tuesday, 17 May 2016*

4137. Hon Robin Chapple to the Minister for Planning representing the Minister for Environment:

I refer to question without notice No. 434, asked in the Legislative Council on 12 May 2016, regarding the shearwater bycatch reduction program in zone 1 of the South Coast Purse Seine Fishery, and ask:

- (a) will the Minister please answer the first part of the question about non-compliance with 'public' reporting in 2014 and 2015;
- (b) if no to (a), why not;
- (c) the weighted line in the net experiment was conducted on four shots (out of 100s) from one boat (out of about 12), will the Minister provide information about how many birds were present around these shots;
- (d) what are the mortality figures for last season, and is this data complete;
- (e) if the weighted line method works, does the Minister intend to institute this method on every boat in zone 1 of the South Coast Purse Seine Fishery;
- (f) if no to (e), why not;
- (g) if yes to (e), what is the timeframe;
- (h) given that nearly a decade of 'experimental' latitude has passed and that the fleshy-footed shearwater is now in serious decline, all bycatch protection methods need to be mandated, so does the Minister intend on ending the voluntary code of conduct approach;
- (i) if yes to (h), what is the timeframe for implementation;
- (j) if no to (h), why;
- (k) given nearly a decade of ineffective action, the target bycatch mortality should now be zero, will the Minister implement this target;
- (l) if yes to (k), what is the timeframe for implementation; and
- (m) if no to (k), why not?

NIGEL PRATT

Clerk of the Legislative Council
