**QUESTIONS ASKED TODAY**

---

*Notice Given*                      *Thursday, 16 October 2014*

**1752. Hon Robin Chapple to the Leader of the House representing the Minister for Finance:**

Regarding the State Supply Commission's *Private Sector Procuring for Public Authorities* supply policy, gazetted date 28 December 2007, I ask:

- (a) has this policy been rescinded or changed:
  - (i) if yes to (a), when did this occur; and
  - (ii) if yes to (a), why was it rescinded or what were the changes; and
- (b) what is the supply policy that is currently in its place to ensure accountability and value for money, and when was it gazetted?

**1753. Hon Amber-Jade Sanderson to the Parliamentary Secretary representing the Minister for Health:**

I refer to the new no fault provisions clauses used in Britain for contracts with prospective private operators of public services, such as Serco. These clauses state that in the event that the State wishes to cancel contracts, the private operator is compensated for their expected profits over the life of the entire contract. This is in contrast to traditional no fault clauses currently used in the United Kingdom, which compensate for between 12 and 18 months of expected profits. Therefore I ask:

- (a) what is a typical compensation period for no fault termination clauses in government contracts with private operators at Fiona Stanley Hospital and the Midland Health Campus;
- (b) can the Government confirm that there is no similar no fault clauses in the Fiona Stanley Hospital and Midland Health Campus contracts, both of which are 20 years and 23 years respectively;
- (c) if no to (b), why not; and
- (d) if no to (b), can the Minister reassure the public that the Government will not introduce these clauses into new or renewed contracts with these operators?

**1754. Hon Kate Doust to the Leader of the House representing the Minister for State Development:**

I refer to the Department of State Development's *Annual Report 2013–14*, page 22, heading "International trade and investment activities", and I ask for each of the overseas offices strategically located in Shanghai, Hangzhou, London, Dubai, Nairobi, Mumbai, Tokyo, Kobe, Seoul, Jakarta and Singapore:

- (a) what were the total operating expenses for 2013–14 broken down by:
  - (i) property operating expenses;
  - (ii) employee expenses; and
  - (iii) other expenses;
- (b) how many staff were located in each office as at 30 June 2014; and
- (c) what are the priorities or targeted activities for each of the offices for 2014–15?
