3187. Dr J.M. Woollard to the Minister for Education and Training

I refer to the Minister's response to Question on Notice No. 2842 of 2007, and ask:

- (a) can the Minister list any limitations on further building development at Booragoon Primary School as a result of the presence of septic tanks;
- (b) what are the Department of Education and Training's standards, guidelines or policies for septic tanks located on government school grounds:
 - (i) if none exist, why not; and
 - (ii) in view of the overspill from a septic tank at Booragoon Primary School will the Department be developing standards, guidelines or policies;
- (c) is Booragoon Primary School currently able to be connected to the main sewer system:
 - (i) if so at what location(s) and what is the approximate cost for each location(s);
- (d) if Booragoon Primary School can be connected to the main sewer system why has it not yet been connected;
- (e) can the Minister provide a list of all Western Australian Government schools in the Perth metropolitan area that are currently using septic tanks and the date the school was built;
- (f) have any of the septic tanks at Booragoon Primary School been replaced since the school was founded in 1967:
 - (i) if so which ones; and
 - (ii) when were they replaced;
- (g) what is the estimated and or acceptable lifespan for septic tanks;
- (h) is there a policy to replace septic tanks on school grounds;
- (i) when will the septic tanks at Booragoon Primary School be replaced;
- (j) is the Minister aware that in 2007 pre-primary classes at Booragoon Primary School were interrupted on several occasions and the children had to be moved due to an offensive smell from a leaking septic tank;
 - (i) if so how is the Minister going to ensure this does not have to happen again;
- (k) is the Department of Education and Training aware of the leaking septic tanks at Booragoon Primary school:
 - (i) if so are they doing anything about this; or
 - (ii) if not, why not;
 - (iii) is the Department of Education and Training aware that the leaking septic tanks at Booragoon Primary school may have contaminated the groundwater used for the school ovals, plant beds and nearby wetlands:
 - (iv) if so are they doing anything about this; or
 - (v) if not, why not;
- (l) is the Department of Education and Training able to guarantee there are no environmental or health risks associated with the leaking septic tank(s) at Booragoon Primary school; and
- (m) if the Department of Education and Training are not able to assess for any environmental or health risks associated with the leaking septic tank(s) at Booragoon Primary school have they asked another department and if so which department ?

3188. Dr J.M. Woollard to the Minister for Education and Training

- (1) In relation to canteens at the schools within the current electorate of Alfred Cove (Applecross Primary School, Applecross Senior High School, Ardross Primary School, Attadale Primary School, Bicton Primary School, Booragoon Primary School, Melville Primary School, Melville Senior High School, Mount Pleasant Primary School, and Palmyra Primary School), I ask:
- (a) is the Department of Education and Training aware if any of the above schools are having difficulty maintaining school canteens:
 - (i) if so, could the Minister specify which schools; and
 - (ii) the reasons behind the difficulty for each school;
 - (b) has the Department of Education and Training considered centralising the provision of food services for any State Government schools located in the Perth metropolitan area, if so can the Minister list which schools and which services have been centralised; and
 - (c) if the Department of Education and Training has not considered the centralisation of food services in Government schools located in the Perth metropolitan area, why not?

3189. Dr J.M. Woollard to the Minister for Education and Training

I am advised that the Minister was advised of the multitude of maintenance problems requiring attention at Applecross Senior High School in November 2007, and I ask:

- (a) instead of using a band aid approach to a building that is out of date will the Minister consider building a primary and secondary school on the school grounds;
 - (i) if yes when will this occur; or
 - (ii) if not, why not;
- (b) why has the Department of Education and Training not provided sufficient funds to keep Applecross Senior High School well maintained; and
- (c) will the Department of Education and Training provide funds and if so when will the work be carried out for the following items at the school:
 - (i) the upper quadrangle including:
 - (A) the paint is peeling from a window frame;
 - (B) gutters need to be cleaned and painted in the undercover area;
 - (C) the female toilet has graffiti on the walls, doors and mirrors; peeling paint; missing taps; missing tiles around the floor drain; and
 - (D) a broken window in the male toilet
 - (ii) the lower quadrangle including:
 - (A) the stage area contains water stains;
 - (B) the pavement slabs are uneven;
 - (C) wires and cables are hanging below a light and speaker outside the entrance to the gymnasium;
 - (D) a window located outside the entrance to the lower quadrangle near the gymnasium needs painting;
 - (E) the toilets have: a service duct with a dilapidated timber walkway; poor drainage; lack covers; single flush mechanisms; water leaking from a cistern overflow pipe; water pooling on the floor of the toilets; in the female toilet, old paper towel holders on the wall and within the

cubicles need removal; missing shower heads in the male toilet and the floor is prone to flooding.

- (iii) the gymnasium including:
 - (A) the gutter system near the gymnasium contains broken and rusted pipes;
 - (B) the main entrance doors are old and dilapidated;
 - (C) the floor has pieces of tile and whole floor tiles missing;
 - (D) the cupboards in the main entrance are missing doors;
 - (E) the main entrance needs to be used as a store room;
 - (F) In the foyer: the sink has no hot water; the benches are in poor condition; and the fridge does not work;
 - (G) In the gymnasium: the curtains are in poor condition; there are ceiling panels and light diffusers missing from the roof; the Stage curtain is dirty and needs repair; and lighting poles and equipment need repair and service.
 - (H) baffles are missing from air conditioner outlets in the gymnasium and one of the air conditioner units is extremely loud;
- (iv) general maintenance including:
 - (A) The stairways contain no anti slip strips and four sets of stairs have been identified as requiring anti slip treatment;
 - (B) the undercover area needs cleaning and painting;
 - (C) the water coolers present at the school are old and dilapidated;
 - (D) the old gas heaters in the classrooms are inefficient; and
 - (E) graffiti is present throughout the school;
- (v) Design and Technology Area including:
 - (A) Outside: a branch has fallen on a light on a path between the design and technology area and the pool; a down pipe has come away from the wall in the covered area between the design and technology and music/drama room; the steps between the oval and the design and technology area are being eroded; the gutters are broken and leaking including those on the walkway located between the lower quadrangle and the hall; the gutters and downpipes have come away from the walls and require painting; and a downpipe is missing; and
 - (B) Inside there is a leaking tap; and storage is needed for the equipment;
- (vi) the pool area including:
 - (A) the pavement slabs are uneven;
 - (B) bricks and rubble are piled up in the area between the pool and the caretaker's house;
 - (C) the shed is held down by the timber on its roof; and
 - (D) the bench seats are in poor condition and require sanding and painting;
- (vii) Gardener's store and automotive technology area, including:

- (A) The gutters are coming off the gardener's store and workshop building; and
- (B) the fence behind the automotive technology area is damaged?

3190. Dr J.M. Woollard to the Minister for Education and Training

In relation to Palmyra Primary School, I ask:

- (a) can the Minister please provide all capital works projects and the amount in dollars (for each project) that were fully funded by the Department of Education and Training in the following years:

 - (viii) 2004 - 2005;
 - (ix) 2005 - 2006; and
 - (x) 2006 - 2007?
- (c) can the Minister provide details of work and costs that were classified as outstanding medium to high priority under the \$65 million "Fixing Our Schools program" and advise:
 - (i) why this money has not been allocated to date;
 - (ii) when the money will be made available;
 - (iii) whether the money that is still to be provided will fully fund the work to be completed; and
 - (iv) if not, whether the government will be supplying the funds to meet the additional costs caused by inflation?

- (d) in relation to the Minister's press release on 16 November 2007 that stated \$1billion would be spent on capital works projects at schools across the State:
 - (i) is this new funding or is this funding previously announced and set aside for capital works; and
 - (ii) if new funding, how much will be allocated to this school and:
 - (A) what individual projects does this relate to;
 - (B) what is the cost of each individual project; and
 - (C) when is each project likely to be completed?

3191. Dr J.M. Woollard to the Minister for Education and Training
