**54. Kojarena Satellite Ground Station - Expanded Function** (*Notice given 21 March 2007*)

Continuation of remarks Hon Norman Moore (Wednesday, 19 September 2007) on the motion of Hon Giz Watson as follows -

That this House -

- (1) Notes that the Federal Government has announced an expanded function of the joint US spy satellite ground station at Kojarena near Geraldton.
- (2) Notes that this expanded function will coordinate US military operations in the Middle East and Asia, making this the most significant military encroachment into Australia since signing of the Pine Gap Treaty of 1966.
- (3) Condemns the Federal Government for committing to this expanded function without consulting with the people of Western Australia, the City of Geraldton and the Premier.

**53. Commission on Government - Call for Establishment** (*Notice given 21 March 2007*)

Hon Giz Watson: To move -

That in the light of evidence presented to the Corruption and Crime Commission concerning lobbying and alleged public sector misconduct, this House calls upon the Government to establish a second Commission on Government to -

- (1) Audit the implementation of the first Commission on Government's recommendations and consider whether further implementation is required;
- (2) Consider whether alternative or additional reforms to those proposed by the first Commission on Government are required to prevent corrupt, illegal or improper conduct by public officials (including State Members of Parliament, Local Government Councillors and employees of State and Local Governments);
- (3) Carry out its inquiries in an open and participatory manner; and
- (4) Report to both Houses of Parliament within one year from establishment of the Commission.
