MOTIONS ON NOTICE

1. **Kimberley Liquefied Natural Gas Precinct** (*Notice given 18 March 2009*)

Continuation of remarks Leader of the House (Thursday, 22 October 2009) on the motion of Hon Jon Ford as follows -

- (1) That this House expresses its concern at the comments made by the Premier to the Committee for Economic Development Australia Conference on Tuesday, 3 March 2009 in which he referred to a proposed LNG precinct to the north of Broome and stated -

“...we are proceeding in developing an LNG precinct to the north of Broome. That's not the spectacular part of the Kimberley coast, it's flat tableland, no people living within probably 30 or 40 kilometres of the area.That's important, we're trying to do that by negotiation, the timetable is the end of this month. If we can't do it by negotiation, the State will resume the land. I'll do that reluctantly, but we will do it. We will not hold up economic development and we will not deny the people of the Kimberley – and particularly the Aboriginal people – the opportunity from some economic independence and some economic security.”

- (2) This House calls on the Premier to -
- (a) explain how he can claim to be negotiating in good faith when he put on public record that if he doesn't get a negotiated outcome he will resume the land to develop an LNG precinct to the north of Broome; and
 - (b) explain why he is presenting a veiled threat to indigenous people in respect of this matter and whether this is a sign of things to come.

2. **Freedom of Information Process** (*Notice given 18 March 2009*)

Hon Ljiljanna Ravlich: To move -

That this House condemns the Premier for failing to honour his election commitment to review the manner in which Departments are administering the Freedom of Information (FOI) process, to ensure that the Government is accountable and open in accordance with the spirit of the FOI Act and calls on the Premier to explain why he has allowed a culture of arrogance, secrecy and of deliberately keeping information from the public to develop among his Cabinet Ministers when dealing with FOI requests.

3. **Fremantle Port - Lead Export** (*Notice given 18 March 2009*)

Hon Sally Talbot: To move -

- (1) That this House condemns the Minister for Environment and the Minister for Mines for their lack of openness and accountability in relation to their decision to allow lead to be transported through 22 suburbs in the metropolitan area on its way to Fremantle and calls on both Ministers to explain why they have not made all details in relation to lead shipments public.
- (2) That this House also calls on the Minister for Environment to explain why, since environmental approval was given by her for Magellan Metals to transport containerised lead carbonate through suburbs to the Fremantle Port, so little has been revealed to the thousands of families living in and around suburbs along the proposed transport route.
