Petroleum and Geothermal Energy Safety Levies Act 2011

An Act to provide for levies in relation to petroleum <u>operations and</u> <u>geothermal energy operations, operations, geothermal energy operations, pipeline operations and offshore petroleum operations, and for related purposes.</u>

[Long title amended: No. 19 of 2012 s. 4; Work Health and Safety Bill 2019 cl. 309.]

The Parliament of Western Australia enacts as follows:

Part 1 — Preliminary

1. Short title

This is the *Petroleum and Geothermal Energy Safety Levies Act* 2011.

2. Commencement

This Act comes into operation as follows —

- (a) sections 1 and 2 on the day on which this Act receives the Royal Assent;
- (b) the rest of the Act on a day fixed by proclamation, and different days may be fixed for different provisions.

3. Terms used

In this Act, unless the contrary intention appears —

accepted DSMS means a DSMS, as defined in the Petroleum (Submerged Lands) (Diving Safety) Regulations 2007, that

- (a) has been accepted by the Minister responsible for the administration of the *Petroleum (Submerged Lands)*Act 1982; and
- (b) is current for the purposes of those regulations;

adjacent area has the meaning given in the *Petroleum* (Submerged Lands) Act 1982 section 60K and includes any space referred to in section 7 of that Act;

assessment means an assessment of an amount of safety levy under section 10;

assessment notice means —

- (a) a notice given under section 10(1)(b); or
- (b) a notice of reassessment given in accordance with the regulations;

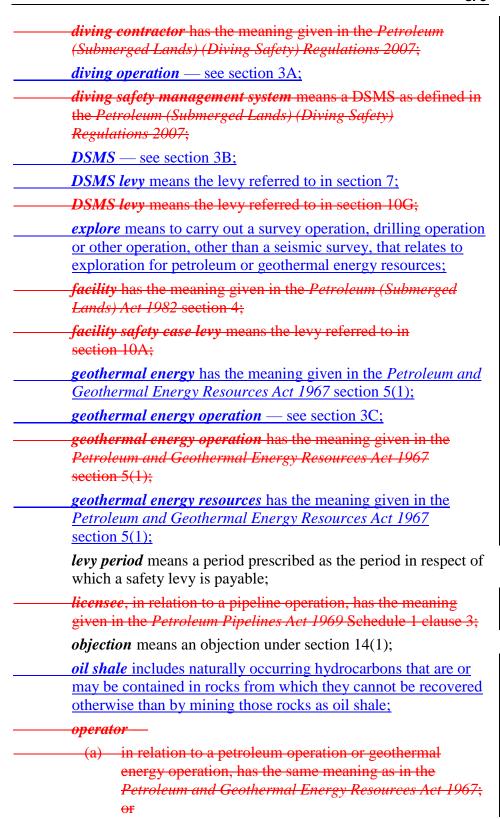

CEO means the chief executive officer of the department;

CIPS means the Chief Inspector Petroleum Safety under the Work Health and Safety Act 2019 Schedule 2 Division 2;

construct has the meaning given in the *Work Health and Safety Act 2019* section 4;

department means the department of the Public Service principally assisting in the administration of this Act;

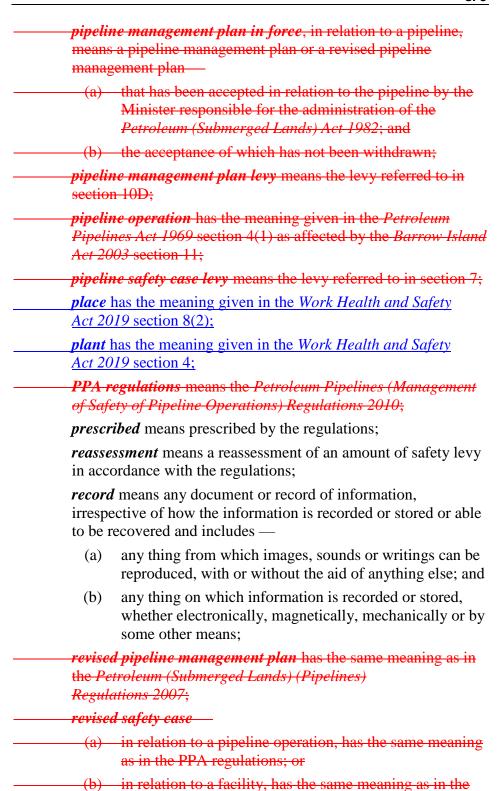

design has the meaning given in the Work Health and Safety Act 2019 section 4;

(b) in relation to a facility, has the meaning given in the *Petroleum (Submerged Lands) Act 1982* Schedule 5 clause 3;

penalty amount means an amount payable under section 12(1);

penalty amou	nt means an amount payable under section 12(1);
petroleum —	
(a) means	<u> </u>
(i)	any naturally occurring hydrocarbon, whether in
	a gaseous, liquid or solid state; or
(ii)	any naturally occurring mixture of hydrocarbons, whether in a gaseous, liquid or solid state; or
(iii)	any naturally occurring mixture of 1 or more
	hydrocarbons, whether in a gaseous, liquid or
	solid state, and 1 or more of the following, that is to say, hydrogen sulphide, nitrogen, helium and
	carbon dioxide;
but do	es not include oil shale; and
	es any petroleum as defined in paragraph (a) that
	en returned to a natural reservoir; and
(c) also in	cludes any petroleum as defined in paragraph (a)
	to which 1 or more things have been added, or
	which 1 or more things have been wholly or partly
	ed, or both; and
(d) also in	cludes any mixture that —
(i)	has been recovered from a well; and
(ii)	includes petroleum as defined in
_	paragraph (a), (b) or (c);
	<u>eration</u> — see section 3D;
_	eration has the meaning given in the Petroleum val Energy Resources Act 1967 section 5(1);
	ations means the Petroleum and Geothermal
	rces (Management of Safety) Regulations 2010;
— pipeline has th Lands) Act 19	ne meaning given in the <i>Petroleum (Submerged</i> 82 section 4;
	see, in relation to a pipeline, has the meaning etroleum (Submerged Lands) Act 1982 section 4;
——— pipeline mana	gement plan has the same meaning as in the
Petroleum (Su	bmerged Lands) (Pipelines) Regulations 2007;

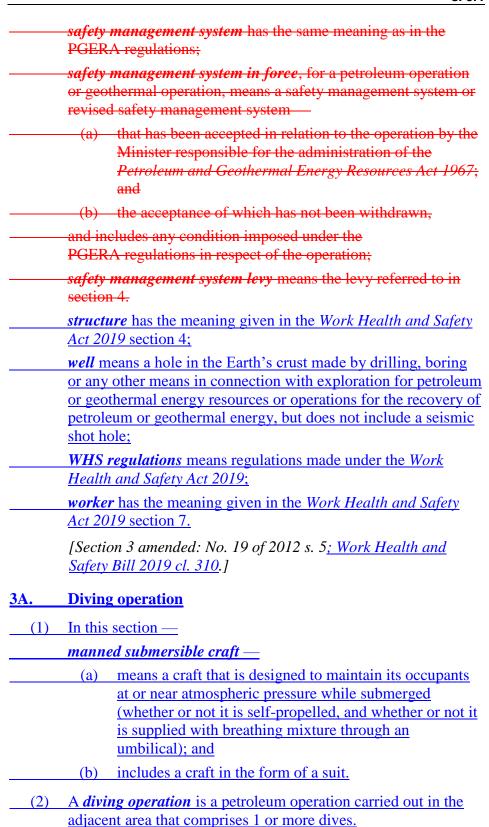

on Offshore Facilities) Regulations 2007;

Petroleum (Submerged Lands) (Management of Safety

revised safety management system has the same meaning as in the PGERA regulations;
safety case — see section 3E;
safety case
(a) in relation to a pipeline operation, has the same meaning as in the PPA regulations; or
(b) in relation to a facility, has the same meaning as in the Petroleum (Submerged Lands) (Management of Safety on Offshore Facilities) Regulations 2007;
(a) in relation to a pipeline operation, means a safety case or revised safety case
(i) that has been accepted in relation to the operation by the Minister responsible for the administration of the <i>Petroleum Pipelines Act 1969</i> ; and
(ii) the acceptance of which has not been withdrawn,
and includes any condition imposed under the PPA regulations in respect of the operation;

(b) in relation to a facility, means a safety case or revised safety case
(i) that has been accepted in relation to the facility by the Minister responsible for the administration of the Petroleum (Submerged Lands) Act 1982; and
(ii) the acceptance of which has not been withdrawn,
and includes any condition imposed under the Petroleum (Submerged Lands) (Management of Safety on Offshore Facilities) Regulations 2007 in respect of the facility or activities at the facility;
safety case levy means the levy referred to in section 4;
safety levy means the safety case levy or the DSMS levy;
(a) the safety management system levy; or
(b) the pipeline safety case levy; or
(c) the facility safety case levy; or
(d) the pipeline management plan levy; or

s. 3B

- (3) For the purposes of subsection (2), a *dive* is an activity that involves a person (the *diver*)—
 - (a) being in a chamber inside which the ambient pressure is equal to or higher than the hydrostatic pressure at a depth of 1 metre in seawater (whether or not the chamber is submerged in water or another liquid); or
 - (b) being submerged in water or another liquid and the diver's lungs being subjected to a pressure greater than atmospheric pressure (whether or not the diver is wearing a wetsuit or other protective clothing); or
 - (c) being in a manned submersible craft that is submerged in water or another liquid.

[Section 3A inserted: Work Health and Safety Bill 2019 cl. 311.]

3B. DSMS

(1) In this section —

document has the meaning given in the *Work Health and Safety Act 2019* section 4.

- (2) A **DSMS** is a document
 - (a) that a prescribed provision of WHS regulations requires for a diving operation; and
 - (b) that must set out, in accordance with any applicable requirements of WHS regulations, a safety management system for the diving operation.

[Section 3B inserted: Work Health and Safety Bill 2019 cl. 311.]

3C. Geothermal energy operation

(1) In this section —

accommodation premises —

- (a) means residential premises
 - (i) the occupation of which is necessary for the purposes of workers' engagement at a geothermal energy site; and

-	
	(ii) that are not situated within a townsite as defined
	in the Land Administration Act 1997
	section 26(1) or the metropolitan region as
	defined in the Planning and Development
	<u>Act 2005 section 4(1);</u>
	<u>and</u>
(b)	includes land, buildings and recreational facilities used
	in connection with the occupation of those premises;
geoth	ermal energy site —
(a)	means a place at which an activity referred to in
	subsection (2) is, or is to be, carried out; and
(b)	includes any fixture, fitting, plant or structure at the
	place;
geoth	ermal energy title means a permit, drilling reservation,
	licence or other authority (however described) granted
under	the Petroleum and Geothermal Energy Resources
<u>Act 19</u>	967 in relation to geothermal energy or geothermal energy
resour	rces.
(2) A <i>geo</i>	thermal energy operation is an activity carried out in an
	n respect of which a geothermal energy title is in force for
the pu	rpose of any of the following —
(a)	exploring for geothermal energy resources;
(b)	drilling or servicing a well for geothermal energy
	resources;
(c)	recovering geothermal energy.
(3) Witho	out limiting subsection (2), a geothermal energy operation
	les the following activities —
(a)	planning, designing, preparing or constructing a
(4)	geothermal energy site if the activity is carried out at or
	in the vicinity of the geothermal energy site;
(b)	commissioning, operating or maintaining a geothermal
	energy site;
(c)	decommissioning or abandoning a geothermal energy
	site or removing any fixture, fitting, plant or structure
	from a geothermal energy site;
(d)	constructing, commissioning, operating or maintaining
	administrative or other support facilities at or in the
	vicinity of a geothermal energy site;

s. 3D

(e)	an activity relating to the care, security or maintenance
	of a geothermal energy site carried out at or in the
	vicinity of the geothermal energy site;

- (f) constructing, commissioning, operating or maintaining accommodation premises at or in the vicinity of a geothermal energy site;
- (g) a prescribed activity carried out in an area in respect of which a geothermal energy title is in force.

[Section 3C inserted: Work Health and Safety Bill 2019] cl. 311.]

3D. Petroleum operation

(1) In this section —

accommodation premises —

- (a) means residential premises
 - (i) the occupation of which is necessary for the purposes of workers' engagement at a petroleum site; and
 - (ii) that are not situated within a townsite as defined in the Land Administration Act 1997 section 26(1) or the metropolitan region as defined in the Planning and Development Act 2005 section 4(1);

and

(b) includes land, buildings and recreational facilities used in connection with the occupation of those premises;

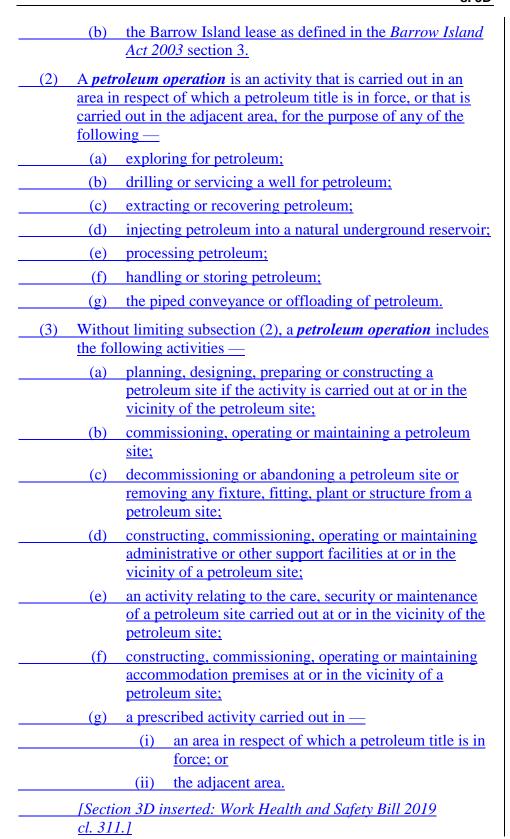

<u>petroleum site —</u>

- (a) means a place at which an activity referred to in subsection (2) is, or is to be, carried out; and
- (b) includes any fixture, fitting, plant or structure at the place;

petroleum title means —

- (a) a permit, drilling reservation, lease, licence or other authority (however described) granted under
 - (i) the *Petroleum and Geothermal Energy Resources Act 1967* in relation to petroleum; or
 - (ii) the Petroleum Pipelines Act 1969; or
 - (iii) the Petroleum (Submerged Lands) Act 1982;

or

s. 3E

3E. Safety case

(1) In this section —

document has the meaning given in the *Work Health and Safety Act 2019* section 4.

- (2) A safety case is a document
 - (a) that a prescribed provision of WHS regulations requires
 for a petroleum operation or a geothermal energy
 operation; and
 - (b) that must set out, in accordance with any applicable requirements of WHS regulations, a case for safety of the operation.

Part 2 Safety levies
Division 2 DSMS levy

s. 9

Part 3 — Assessment and recovery of safety levies

10. Assessment of safety levy

- (1) The CIPSCEO must
 - (a) assess the amount of safety levy that is payable; and
 - (b) give a notice to each of the persons liable to pay a safety levy specifying
 - (i) the amount of safety levy payable; and
 - (ii) the day on which the safety levy is payable; and
 - (iii) any other matter required by the regulations.
- (2) The <u>CIPSCEO</u> may make an assessment on the basis of information obtained or provided under this Act, the *Petroleum* and Geothermal Energy Resources Act 1967, the *Petroleum* Pipelines Act 1969 or the Petroleum (Submerged Lands) Act 1982.
- (3) Subsection (2) does not limit the material to which the <u>CIPSCEO</u> can have regard when making an assessment.

 [Section 10 amended: No. 19 of 2012 s. 10; Work Health and Safety Bill 2019 cl. 313.]

11. Payment of safety levy

- (1) An amount of safety levy becomes due and payable on the day specified in, or worked out in accordance with, the regulations.
- (2) A safety levy is payable to the <u>CIPS.CEO</u>.

 [Section 11 amended: Work Health and Safety Bill 2019 cl. 314.]

12. Penalty for non-payment of safety levy

(1) If an amount of safety levy remains unpaid after the day on which it becomes due and payable, the person liable to pay the safety levy is liable to pay to the CIPS, CEO, in addition to the amount of safety levy, an amount calculated at the prescribed rate on the amount of safety levy from time to time remaining unpaid.

(2) The <u>CIPSCEO</u> may waive, in whole or in part, a penalty amount if the <u>CIPSCEO</u> considers that there are good reasons for doing so.

[Section 12 amended: Work Health and Safety Bill 2019 cl. 315.]

13. Recovery of safety levy and penalty amount

The following amounts may be recovered by the <u>CIPSCEO</u> in a court of competent jurisdiction as debts due to the State —

- (a) an amount of safety levy that remains unpaid after the day on which it becomes due and payable;
- (b) a penalty amount that remains unpaid.

[Section 13 amended: Work Health and Safety Bill 2019] cl. 316.]

Part 4 — Objections and review

14. Objection

- (1) A person may object to an assessment notice given to the person
 - (a) on the ground that the person is not liable to pay the safety levy to which the notice relates; or
 - (b) on the ground that there is an error in the assessment or reassessment of the amount of safety levy payable; or
 - (c) on a prescribed ground (if any).
- (2) An objection must be made to the <u>CIPSCEO</u> in writing within the prescribed period or any longer period that the <u>CIPSCEO</u> may allow.
- (3) An objection must
 - (a) identify the person making the objection; and
 - (b) give details of the grounds of the objection; and
 - (c) comply with any other prescribed requirements.

[Section 14 amended: Work Health and Safety Bill 2019 cl. 317.]

15. Determination of objection

The <u>CIPSCEO</u> must consider and make a decision on an objection in accordance with the regulations.

[Section 15 amended: Work Health and Safety Bill 2019 cl. 318.]

16. Review of decision on objection

A person who is dissatisfied with a decision of the <u>CIPSCEO</u> on an objection may apply to the State Administrative Tribunal for a review of the decision.

[Section 16 amended: Work Health and Safety Bill 2019 cl. 319.]

17. Liability to pay not affected by objection

A person's liability to pay an amount of safety levy, or a penalty amount, is not affected by the making of an objection.

Part 5 — Information and records

- 18. <u>CIPS may require information and records</u> CEO may require information and records
 - (1) The <u>CIPS, CEO</u>, for the purposes of the administration and enforcement of this Act, may do any of the following
 - (a) direct a person
 - (i) to give such information as the <u>CIPSCEO</u> requires; or
 - (ii) to answer a question put to the person;
 - (b) direct a person to produce a record in the person's custody or under the person's control;
 - (c) examine and make a copy of a record produced in response to a direction under paragraph (b).
 - (2) A direction under subsection (1)(a)
 - (a) may be given orally or in writing to the person required to give the information or answer; and
 - (b) must specify the time at or within which the information or answer is to be given; and
 - (c) may require that the information or answer
 - (i) be given orally or in writing; or
 - (ii) be given at or delivered to a place specified in the direction; or
 - (iii) in the case of written information or a written answer, be delivered by means specified in the direction; or
 - (iv) be verified by statutory declaration.
 - (3) A direction under subsection (1)(b)
 - (a) must be given in writing to the person required to produce the record; and
 - (b) must specify the time at or within which the record is to be produced; and
 - (c) may require that the record be produced
 - (i) at a place specified in the direction; and
 - (ii) by means specified in the direction.

(4) A person to whom a direction is given under subsection (1) must not, without reasonable excuse, fail to comply with the direction.

Penalty: a fine of \$20 000.

[Section 18 amended: Work Health and Safety Bill 2019 cl. 320.]

19. Incriminating information

- (1) An individual is not excused from giving information, answering a question or producing a record when directed to do so under section 18 on the ground that the information, answer to the question, or production of the record, might tend to incriminate the individual or make the individual liable to a penalty.
- (2) However
 - (a) the information or answer given or record produced; or
 - (b) giving the information, answering the question or producing the record; or
 - (c) any information, document or thing obtained as a direct or indirect consequence of giving the information, answering the question or producing the record,

is not admissible in evidence against the individual —

- (d) in any civil proceedings; or
- (e) in any criminal proceedings other than proceedings for perjury or an offence against section 20.

20. False or misleading information

- (1) A person must not, in compliance or purported compliance with a direction under section 18 or any other requirement under this Act, do any of the things set out in subsection (2).
 - Penalty: a fine of \$20 000.
- (2) The things to which subsection (1) applies are
 - (a) making a statement that the person knows is false or misleading in a material particular; or
 - (b) making a statement that is false or misleading in a material particular, with reckless disregard as to whether or not the statement is false or misleading in a material particular; or

- (c) providing, or causing to be provided, information that the person knows is false or misleading in a material particular; or
- (d) providing, or causing to be provided, information that is false or misleading in a material particular, with reckless disregard as to whether or not the information is false or misleading in a material particular.

Part 6 — Other matters

21. Petroleum and Geothermal Energy Safety Levies Account

- (1) An agency special purpose account called the Petroleum and Geothermal Energy Safety Levies Account (the *Account*) is to be established for the department under the *Financial Management Act 2006* section 16.
- (2) The Account must be credited with the following
 - (a) any safety levy paid or recovered;
 - (b) any penalty amount paid or recovered.
- (3) Moneys held in the Account must be applied in payment of the costs and expenses incurred in the administration and enforcement of these enactments
 - (a) this Act;
 - (b) the *Work Health and Safety Act 2019* in relation to petroleum operations and geothermal energy operations.
 - (b) each listed OSH law as defined in the *Petroleum and Geothermal Energy Resources Act 1967* section 5(1);
 - (c) each listed OSH law as defined in the *Petroleum Pipelines Act 1969* section 4(1);
 - (d) each listed OSH law as defined in the *Petroleum* (Submerged Lands) Act 1982 section 4.

[Section 21 amended: No. 19 of 2012 s. 11; Work Health and Safety Bill 2019 cl. 321.]

22. Delegation

- (1) The <u>CIPSCEO</u> may delegate to a public service officer in the department any power or duty of the <u>CIPSCEO</u> under another provision of this Act.
- (2) The delegation must be in writing signed by the <u>CIPS.CEO</u>.
- (3) A person to whom a power or duty is delegated under this section cannot delegate that power or duty.
- (4) A person exercising or performing a power or duty that has been delegated to the person under this section is to be taken to do so in accordance with the terms of the delegation unless the contrary is shown.

(5) Nothing in this section limits the ability of the <u>CIPSCEO</u> to perform a function through an officer or agent.

[Section 22 amended: Work Health and Safety Bill 2019 cl. 322.]

23. Confidentiality

A person who is or has been engaged in the performance of functions under this Act must not, directly or indirectly, record, disclose or make use of any information obtained in the performance of those functions except —

- (a) for the purpose of, or in connection with, performing functions under this Act or another written law; or
- (b) as required or allowed by this Act or another written law; or
- (c) with the written consent of the Minister or the person to whom the information relates; or
- (d) for the purpose of any proceedings before a court or the State Administrative Tribunal arising out of the operation of this Act; or
- (e) in prescribed circumstances.

Penalty: a fine of \$20 000.

24. Protection from liability

- (1) An action in tort does not lie against a person for anything that the person has done, in good faith, in the performance or purported performance of a function under this Act.
- (2) The protection given by subsection (1) applies even though the thing done as described in that subsection may have been capable of being done whether or not this Act had been enacted.
- (3) Despite subsection (1), the State is not relieved of any liability that it might have for another person having done anything as described in that subsection.
- (4) In this section a reference to the doing of anything includes a reference to the omission to do anything.

25. Evidentiary value of assessment notice

An assessment notice (or a copy of an assessment notice) is admissible as evidence in proceedings under this Act and, in the absence of proof to the contrary, is proof of the following —

- (a) the making of the assessment;
- (b) the amount of safety levy assessed;
- (c) the identity of the person liable to pay the safety levy;
- (d) when payment of the safety levy is due;
- (e) any other fact stated in the notice.

26. Regulations

- (1) The Governor may make regulations prescribing all matters that are
 - (a) required or permitted by this Act to be prescribed; or
 - (b) necessary or convenient to be prescribed for giving effect to the purposes of this Act.
- (2) Without limiting subsection (1), the regulations may
 - (a) provide for the amount of safety levy payable to be worked out on such basis, and in accordance with such factors, as are prescribed; and
 - (b) provide for the classification of safety management systems, safety cases, pipeline management plans and diving safety management systems; and
 - (c) without limiting paragraph (b), authorise or require the CEO to determine the classification of a safety management system, safety case, pipeline management plan or diving safety management system for the purposes of assessing the amount of safety levy payable in respect of the safety management system, safety case, pipeline management plan or diving safety management system, as the case requires; and
 - (d) deal with the assessment of the amount of safety levy payable and the procedure for assessment; and
 - (e) deal with the reassessment of the amount of safety levy payable and the procedure for reassessment; and
 - (f) provide for the payment and recovery of amounts, or the refund of amounts, after reassessment; and

- (g) provide for matters relating to the determination of objections, and the review of decisions on objections, under Part 4; and
- (h) provide for the keeping of records by persons who are or may be liable to pay a safety levy; and
- (i) provide for review by the State Administrative Tribunal of decisions made under the regulations; and
- (j) provide that contravention of a regulation is an offence and, for an offence against the regulations, provide for a penalty not exceeding a fine of \$10 000.
- (3) Without limiting subsection (1), the regulations may make different provision for different classes of safety cases or DSMSs and may, accordingly—
 - (a) provide for the classification of safety cases or DSMSs; and
 - (b) without limiting paragraph (a), authorise or require the CIPS to determine the classification of a safety case or DSMS for the purposes of the regulations.
