Disclosure

The data provided is taken from multiple sources including the HUGS database and previous reports supplied by the Department of Communities. The details are a correct reflection of the data at the time the report was generated. 'Data cleansing' to increase the accuracy of the information in the HUGS database may alter the results of reports generated at a later date. This document may contain confidential information and is intended for the exclusive use of authorised persons only.

The figures represent the total number of successful applications provided, not the total number of individuals who received a HUGS grant. Individuals can receive more than one grant in a financial year and therefore may be represented more than once in the data.
