

David Driscoll  
Senior Committee Clerk  
Select Committee on the Reserves (Reserve 43131) Bill 2002  
Parliament House  
Perth WA 6000

Dear Mr Driscoll,

Please find attached my corrected copy of my transcript of evidence to the committee.

You will note I have made some corrections on pages 6 and 7.

I also advise that I wish to correct the record on page 7 in respect to an answer I gave to a question from the chairman. I stated that I had not taken notes at meetings chaired by Mr Walsh. This was not correct. I have since located my notebooks for that period and have identified some notes that were obviously recorded during meetings I attended. These will obviously be provided to the committee in due course.

Yours faithfully,

Kieran Murphy
