Dear Ms Chiasson

Inquiry into the Monitoring and Enforcing of Child Safe Standards

The Department of Communities (Communities) attended the Joint Standing Committee on the Commissioner of Children and Young People's public hearing into the Inquiry into the monitoring and enforcing of child safe standards on 10 April 2019.

Following the public hearing, the Hansard transcript was distributed to all Communities witnesses. During the review of the transcript, Ms Helen Nys, Assistant Director General, Policy and Service Design noted an error in some evidence given. Page 19 of the transcript states 'The Department of Communities is responsible for implementing 108 of the recommendations.' Communities would like it noted that it is responsible for implementing 104 of the recommendations made by the Royal Commission into Institutional Responses to Child Sexual Abuse.
