Dear Mr Warner

**ESTIMATES AND FINANCIAL OPERATIONS  
THURSDAY, 16 JUNE 2016 – SESSION THREE  
OFFICE OF THE ENVIRONMENTAL PROTECTION AUTHORITY  
INCORRECT FACTUAL INFORMATION**

I wish to inform the Committee of incorrect information I provided at the above session.

At page 7 of Uncorrected Hansard the Hon Peter Katsambanis stated:

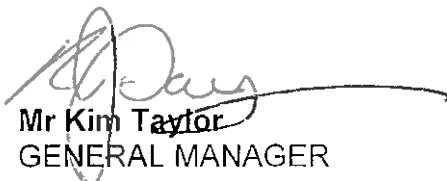

*The agreement was reached in principle and it is awaiting these legislative amendments of the commonwealth Parliament.*

In my response I stated:

*The bilateral was agreed to and signed by the two ministers, but it cannot be given effect until there are changes to the commonwealth legislation.*

The bilateral has not been agreed to and signed by the two ministers and this cannot occur until changes to the Commonwealth legislation has occurred.

Yours sincerely

  
Mr Kim Taylor  
GENERAL MANAGER
