Lauren Mesiti
Committee Clerk
Parliament House
PERTH, WESTERN AUSTRALIA, WA 6000

Dear Lauren,

RE: Transcript of Evidence

Thank you very much for the transcript of the evidence that I gave to the Committee at a public hearing recently. I would like to correct some evidence I provided which I now know is incorrect. I advised the committee that there were 23 standards related to swimming pool safety when in fact my City of Swan colleague advises the number is 21.

Yours sincerely
