Dear Ms Fitzgerald

TRANSCRIPT OF EVIDENCE

Please find enclosed my altered transcript of evidence, dated 25th of August 2000. Robyn Martin's transcript did not require alteration.

I would also like to advise the committee of a couple of dates that I got mixed up when I gave evidence.

PAGE 2 - PARAGRAPH 2.

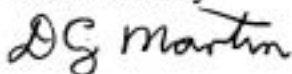

Peter Whale visited our property to assess it on September 21st 1995. In November 1995 we received a map dated 14/11/95 from Peter Whale.

PAGE 3 - MR MARTIN'S 2ND PARAGRAPH

It was June 1997 that I was given a phone number to ring at the Department of Environmental Protection by Martin Keen.

I would like to receive a copy of the corrected transcript.

Yours sincerely

Dennis Martin
