Dear Ms Malouf

**TRANSCRIPT OF EVIDENCE TAKEN AT THE MAIN ROADS PART OF THE
STANDING COMMITTEE ON ESTIMATES AND FINANCIAL OPERATIONS HELD ON
13 AUGUST 2010**

I have attached a copy of the 'uncorrected copy' of the Hearings and advise that attendees, Mr Reece Waldock, Mr Trevor Dyer, Mr Desmond Snook, Mr John Erceg and Mr Menno Henneveld have no changes or corrections to make to the transcript insofar as their evidence is concerned. Mr Peter Woronzow has provided the following with regard to his evidence with his signature.

Evidence by Mr Peter Woronzow

On page 8 in lines 21, 25, 30 and 31 the '\$45 million' referred to which relates to the purchase of land for the Great Eastern Highway – Kooyong project, should have been **"\$25 million"**.

On page 16 in the first line 'But there' should read **'But this'**.

On page 16 in line 2 '\$40 million' should read **'\$40 billion'**.

On page 16 in line 7 '\$423 million' should read **'on page 423'**.

On page 16 in line 35 'It is in the 423' should read **'The Commonwealth contribution is \$194 million and is detailed on page 433.'**
