Subject: RE: Inquiry into Elder Abuse - Uncorrected Transcript

Hi Lauren

Apologies for the late reply. The transcript contains one factual error (pge 15) with a reference to APIA and it should be APEA (Alliance for the Prevention of Elder Abuse).

I supplied one factual inaccuracy, the funding for the Elder Abuse Helpline is \$90,000 per annum from the Department of Communities not \$125,000 and is contracted to Advocare until the 31st December 2018.

I have attached the further information requested please let me now if I can assist any further.

Regards

Diedre
