Dear Ms Jewell

Re: Transcript of Evidence

Thank you for providing me the opportunity to review the transcript of evidence I provided at the public hearing on Wednesday, 7 July 2010, that I attended as a Horizon Power representative.

During the hearing I responded to Members' questions to the best of my knowledge, including those concerning the funding of the undergrounding of power in the Pilbara.

In reviewing the transcript I have noticed there are a few instances where I referred to incorrect financial years in relation to this project and I would like to note the correct information that should appear in the transcript, per the below points.

- Page 6, line 5, should read: "Ms Yam: It started in 2008-09 and we got \$35 million."
- Page 6, line 18, should read: "Ms Yam: That has been received. That was in 2008-09."
- Page 6, line 23 and 24, should read: "Ms Yam: Of the royalties for regions fund, \$35 million came to us in 2008-09. Another \$65 million was coming through in 2009-10."
- Page 6, line 32-34, should read: "The funding itself will come through in three blocks: \$35 million in 2008-09, \$65 million in 2010-11, and \$30 million from 2010-11 onwards from local government."

Should you require any clarification regarding the above points, please contact me on 6310 1628.

Yours sincerely
