Good morning Samantha

Apologies for the delay in replying, the PGA office closes over Christmas/New Year and today is my first day back.

Yes, I was wondering when you would follow up on this.

I attach the link below;

<http://www.agriculture.gov.au/SiteCollectionDocuments/animal-plant/animal-welfare/standards/version2-3/australian-standards-v2.3.pdf>

is that enough?

Funnily enough when I said I could provide them I was just being polite, because the RSPCA actually sit on the national committee that writes these standards and they are in a much better position to supply the select committee with a copy than I.

Rgds Ian
