

STANDING COMMITTEE ON ESTIMATES AND FINANCIAL OPERATIONS

ANSWERS TO QUESTIONS PRIOR TO HEARING

Kimberley Ports Authority

Hon Neil Thomson asked:

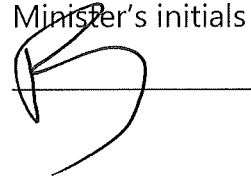

- 1) Kimberley Marine Hub - \$52 million – is the government confident this budget line accurately reflects the likely final cost of delivering this project given the increase in inflation, labour shortages etc that have developed in the last 12 months? Is the Government committed to delivering this project if the cost increases?

Answer

The State Government has allocated \$52 million for the development of the Kimberley Supply Base.

Commercial negotiations with the proponent are ongoing.
