TRANSCRIPT CLARIFICATION

HEARING WITH DEPARTMENT OF EDUCATION

WEDNESDAY, 25 SEPTEMBER 2019

Clarification provided by Ms Lisa Rodgers, Director General of the Department of Education:

- On page 8, Mr David Dans stated “I do not think Connect is five to seven years old.” In fact Connect commenced as a pilot in 2011, was developed based on feedback from schools and released to all schools in 2014.
- On page 3, I refer to Bidyadanga. I would like to clarify that the school name for Bidyadanga is La Grange Remote Community School.
