### **Factual Error Correction**

I wish to state that the amount of \$24,000 quoted was inclusive of other patient expenses and was not only related to patient travel. A review of the amount is reflected in my advice at supplementary item C3.

The amount in this year's budget for Patient travel via taxi vouchers is \$12,000.

I would like thank the Committee for allowing me the opportunity to speak on behalf of our patients at CMSAC.
