TRANSCRIPT OF EVIDENCE

Could you please record two changes to the transcript of evidence taken on Wednesday 29 August 2001
Both of them refer to errors of fact which I inadvertently presented to the Committee in my verbal presentation.

1. Page 3 line 12: "...block of about 8 000 square metres" should read "...5 800..."
2. Page 5 about 14 lines from the bottom: "When we went to sell the land we found we were not allowed to do so, even though we had evidence from several other processes that we were allowed to sell it." *More correctly:* When we went to sell the land we found that it was not permissible to build on it, even though all the previous correspondence had implied to us that we could do so.

Thank you.

Tinsley Beck
