**The Hon Donna Faragher MLC asked:**

8. I refer to Budget Paper 2, Volume 2, page 520, line-item Seniors Peak Body. Can the Department advise which organisation this funding has been provided to and why no funding has been allocated beyond the 2023-24 forward estimate?

---

**Answer**

The State Government provides grant funding to the Council of the Ageing Western Australia to develop the State's first Vulnerable Seniors Peak Body.

A procurement process will be undertaken by the Department of Communities to determine the recipient and long-term funding for a Vulnerable Seniors Peak Body beyond 2023-24.
