

## ADDENDUM

### TO THE FIFTY SECOND REPORT OF THE STANDING COMMITTEE ON LEGISLATION, THAT REPORT BEING IN RELATION TO THE STATE SUPERANNUATION BILL 1999

Presented by the Hon Bruce Donaldson MLC (Chairman)

Report 52

The Committee brings to the attention of the House the following correction to its Fifty Second Report.

The Report contains errors at pages 3 and 34. Both of these errors relate to what should be paragraph (b) of the proposed amendment to clause 33(1) in Recommendation 15. Paragraph (b) incorrectly appears as paragraph (a) at page 3, and as paragraph (c) at page 34.

The correction to Recommendation 15 at pages 3 and 34 appears below (with emphasis added indicating the correction):

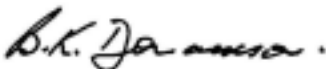

**RECOMMENDATION 15** The Committee recommends that clause 33(1) be amended as follows:

*Page 18, line 4 to 5 – To delete the paragraph and insert instead –*

“

*(a) must be in writing;*

*(b) may be given when and how the Treasurer determines; and”*
