The Committee brings to the attention of the House the following corrections to its Eighth Report:

Appendix 1 of the Report at page 51, Written Submissions Received, lists submission 92 as coming from the City of Bunbury. Submission 92 should list Submission 92 as coming from the City of Belmont.

Footnotes on page 22 (footnote 61) and page 24 (footnote 70) contain typographical errors. Dr James Gilmore in each case should read Dr James Gilmour.
