PETITION IN RELATION TO EDUCATION FUNDING CUTS

To the President and Members of the Legislative Council of the Parliament of Western Australia in
Parliament assembled.

We the undersigned are opposed to the Department of Education's remaining funding cuts which
include:

- Enrolment threshold increases to community kindergartens
- Landsdale Farm School
- Camp school sites (Geraldton, Pilbara, Bridgetown, Point Peron, Pemberton and Goldfields)
- Herdsman Lake Wildlife Centre
- Closure of Moora Residential College

All of these educational facilities are of enormous value to the urban and rural communities that they
service. The costs of removing funding will be of a greater social, educational and economic cost to the
people and government of Western Australia in the short and long term.

We therefore ask the Legislative Council to oppose these remaining cuts.

And your petitioners as in duty bound, will ever pray.
