PETITION IN RELATION TO THE PRESERVATION OF LADY LAWLEY COTTAGE AND THE LEGACY OF LADY ANNIE LAWLEY

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned oppose the permanent closure, selling of, the demolition or renaming of Lady Lawley, Cottage 8 Gibney Street Cottesloe. This will contradict the original intent and purpose of the site which is to serve the children of Western Australia as it has done for the past 117 years. The site was gifted to the children by Lady Annie Lawley and so should be of service to children for years to come.

We therefore ask the Legislative Council to recommend state action be taken by legislative council to stop Australian Red Cross from profiting from site sales and make sure the land and building continue to serve the needs of children with disabilities. If indeed the current service provider is unable to continue management, Lady Lawley Cottage be gifted to an organisation who can. We also ask the legacy of Lady Annie Lawley and her names sake remain preserved and the history remain intact.

And your petitioners as in duty bound, will ever pray.

I certify that this Petition conforms with the Standing Orders of the Legislative Council
