PETITION IN RELATION TO THE PILBARA UNDERGROUND POWER PROJECT (PUPP) COSTS BEING LEVIED ON THE KARRATHA RESIDENTS AND BUSINESSES

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned residents of Western Australia are concerned that the charges being now imposed by the City of Karratha do not reflect the stated commitments given by the President of the Shire of Roebourne, Horizon Power and the Pilbara Cities during the projects inception and stated costs.

Your petitioners therefore respectfully request that the Legislative Council inquire into:

The failure of Horizon power to carry out a satisfactory due diligence assessment of the project.

The failure of the former Shire of Roebourne to carry out a due diligence assessment of the project that was committed to by the Shire on behalf of the community.

The outsourcing of past and current tender agreements by Horizon power to contractors and project managers.

The cost overruns of the project.

The failure of the Shire of Roebourne, Horizon Power and Pilbara Cities to consult meaningfully with the community as to the costs to be imposed on the community.

What action that should be taken by Horizon Power, the State and the Pilbara Cities program to ameliorate the fiscal impact being applied by the City of Karratha on the recipients of the PUPP.

And your petitioners as in duty bound, will ever pray.
