**PETITION IN RELATION TO THE PERTH WATERFRONT PROJECT**

*the promoter this petition which contains 162 signatures*

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

*[Handwritten signature]* 6/3/2012

We the undersigned residents of Western Australia are opposed to the current plan for the Perth Waterfront Project as:

- the cutting of Riverside drive will have serious impacts on traffic congestion in and around the CBD, and throughout South Perth;
- the plan destroys the heritage listed and culturally important Esplanade Reserve, much of which would be sold off;
- the overdevelopment of the site will have a negative impact on city businesses and tourism;
- the project will have a negative impact on the Swan River; and,
- there are far more important budget priorities for this government.

Your petitioners therefore respectfully request the Legislative Council inquire into these matters before any further work on this project commences.

And your petitioners as in duty bound, will ever pray.
