**PETITION IN RELATION TO RE-ZONING OF THE ICONIC SOUTHGATES
SAND DUNES**

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned residents of Western Australia are opposed to the re-zoning of the iconic Southgates sand dunes for the purpose of a potential residential development. This sand dune system has been identified as an environmentally significant feeder of sand to the Geraldton beaches north of their location. Any diminishment of this system will be environmentally catastrophic and will have a negative effect on the financial, social/cultural and environmental future of the residents and ratepayers of Geraldton.

Your petitioners therefore respectfully request the Legislative Council to recommend that an inquiry into the decision by the Ministers for Planning and Environment to approve the re-zoning of this area from its current recreational use, which would see the destruction of the Southgates sand dunes, be held.

And your petitioners as in duty bound, will ever pray.
