PETITION

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled:

We the undersigned residents of Western Australia oppose the continued dispossession of the Swan Valley Nyungah Community.

We are appalled at the continuing use of allegations against this Community that have been disproved by the Parliamentary Inquiry into Reserve Bill 43131 in order to continue to deny these People their homes and their right to self-determination.

Your petitioners therefore respectfully request that the Legislative Council will guarantee restoration of natural justice and procedural fairness by supporting the Swan Valley Nyungah Community in their efforts to return to their Community.

And your petitioners as in duty bound will ever pray.

I certify that this Petition is in conformity with the Standing Orders of the Legislative Council
