QUESTIONS ASKED TODAY

*Notice given**Wednesday, 3 March 2010*

1684. Hon Ljiljanna Ravlich to the Minister for Environment representing the Minister for Tourism

I refer to the press release dated, 18 December 2009, from Kate Lamont, Chairman of Tourism Western Australia regarding the strategic review of the Agency's role in developing the State's tourism industry, and I ask -

- (1) What recommendations have been made to the Minister by the Board of Tourism WA as a result of its strategic review?
- (2) How many of the 22 key recommendations made by the Tourism Council of WA, outlined in the results of their 16 September 2009 Tourism Industry Leadership Forum, have been adopted by the Board of Tourism WA in the strategic review?
- (3) Does the Board of Tourism WA support the Tourism Council of WA recommendation that the, 'Tourism portfolio should rest with the Premier or a Senior Minister who can devote 100% of their time to it'?
- (4) Does the Board of Tourism WA support the Tourism Council of WA recommendations that outline the need for substantial structural changes to Tourism WA and the establishment of a new statutory authority to undertake industry development?
- (5) What will be the cost to the Western Australian taxpayer of implementing the recommendations that have arisen from the strategic review?
- (6) Will the Government propose any amendments to the *Western Australian Tourism Commission Act 1983* as a result of the strategic review?
- (7) Does the Minister support the Board's recommendations as outlined in the strategic review?
- (8) If yes to (7), what additional funding is the Government planning to commit to the implementation of the recommendations as outlined in the strategic review?

1685. Hon Ljiljanna Ravlich to the Minister for Environment representing the Minister for Tourism

I refer to the two press releases from Kate Lamont, Chairman of Tourism Western Australia dated, 18 December 2009 and 15 January 2010, regarding the Board's strategic review of the Agency's role in developing the State's tourism industry, the removal of Richard Muirhead as Chief Executive Officer (CEO) and the announcement of Stephanie Buckland as interim CEO, and I ask -

- (1) Will the Minister provide details of the outcomes of the strategic review as endorsed by outgoing Chief Executive Officer (CEO) Richard Muirhead?
- (2) Did outgoing CEO Richard Muirhead make any criticisms of any of the outcomes of the strategic review?
- (3) If yes to (2), what were those criticisms?

LEGISLATIVE COUNCIL

Questions Asked Today*Notice given**Wednesday, 3 March 2010*

- (4) How will the outcomes of the review effect the operations of Tourism WA over the next six months?
- (5) Is the placement of Stephanie Buckland as interim CEO of Tourism WA, who was previously the Executive Director Marketing and has a total of only two years experience working in the tourism industry, an indication that the Government plans to strip the Agency of its Industry Development division and make it solely a tourism marketing board?
- (6) If yes to (5), will the Government be announcing a new tourism Department, or a new statutory authority to coordinate the development and growth of the State's \$7 billion tourism industry that provides our community with over 80 000 jobs?
- (7) If no to (6), does the Government plan to sideline tourism and make the industry's development and growth a second tier responsibility within another Government Department?

1686. Hon Ljiljanna Ravlich to the Minister for Environment representing the Minister for Tourism

I refer to the Western Australian Indigenous Tourism Operations Committee (WAITOC) Review - The Way Forward of 14 May 2009, and I ask -

- (1) What actions have already been undertaken by the Minister and Tourism Western Australia in response to the report?
- (2) Does the Minister endorse the key recommendations of the report?
- (3) If yes to (2), when will the Minister implement the recommendations of the report?

1687. Hon Ljiljanna Ravlich to the Minister for Environment representing the Minister for Tourism

I refer to a recent Access Economics report on the \$1.2 billion Australian cruise industry, which showed that the economic contribution of the cruise ship industry to the Western Australian economy, more than doubled in the 2007-08 financial year to be over \$21 million compared to the previous year (\$9.2million), generating 113 full time equivalent jobs in that 12 month period alone, with further substantial growth expected in the near future, and I ask -

- (1) Despite these figures, does the Minister agree that, 'the investment returns may not currently justify major investment in this area (cruise ships), beyond that which already exists,' as stated on Tourism Western Australia's corporate website?
- (2) If no to (1), will the Minister ask Tourism WA to formulate policy that will facilitate the continued growth of the cruise ship industry in Western Australia?
- (3) If yes to (2), when will the Minister release a plan to further develop the cruise sector business in Western Australia?

1688. Hon Ljiljanna Ravlich to the Minister for Environment representing the Minister for Tourism

I refer to a recent Access Economics report on the \$1.2 billion Australian cruise industry, which outlined the recent significant growth in the industry over the past two years and predicts that the number of passenger departures from Fremantle will quadruple in the next decade to 2020, and I ask -

- (1) What is the current maximum capacity of passenger movements per day at the Fremantle Passenger Terminal?
- (2) As the average size cruise ship servicing Australian ports is now 1112 passengers, are the facilities at the Fremantle Passenger terminal adequate for the current demand?
- (3) Has the Minister discussed the predicted growth in passenger numbers through the Fremantle Passenger Terminal with the Minister for Transport?
- (4) If yes to (3), will the Government commit the necessary funds to develop the Fremantle Passenger Terminal to increase the capacity of the terminal and facilitate the growth of the cruise ship industry in Western Australia?
- (5) If no to (3), when does the Minister plan to discuss the limited capacity of the Fremantle Passenger Terminal with the Minister for Transport?
