NON-GOVERNMENT BUSINESS

1. Failure of Government to deliver for Children

Hon Nick Goiran to move —

That this House —

- (a) expresses its grave concern that the McGowan Labor Government's failure to deliver for the children of Western Australia has left them abandoned in unsafe environments;
- (b) particularly notes —
 - (i) a concerning spike in the number of children, in the care of our child protection system, who have been reported to police as a missing person;
 - (ii) the Premier's displays of arrogance and contempt towards the concerns expressed by experts following the crisis at Banksia Hill Juvenile Detention Centre;
 - (iii) the disproportionate impact on children of the Government's lack of competent action on housing and homelessness; and
- (c) calls on the Premier to ensure that his pending Cabinet reshuffle not only removes any unreliable, confused or confusing Ministers, but also introduces new Ministers who will ensure that the principle of the best interests of children is not treated like a slogan for media attention but instead as a paramount principle that must be delivered upon.

PRIVATE MEMBERS' BUSINESS

1. Defence Force Veterans

Hon Dan Caddy to move —

That this House acknowledge —

- (a) the service of all Western Australian defence force veterans and serving personnel and their families;
- (b) the positive measures that have been taken by the McGowan Government to help our veterans, especially with respect to transition; and
- (c) the commitment of the McGowan Government to major memorial projects.
