MOTIONS ON NOTICE

13. Implementation of the Aboriginal Cultural Heritage Act regulations (*Notice given 15 June 2023*)

Hon Neil Thomson: To move —

That this House —

- (a) shares the extraordinary level of concern expressed by the community about how unprepared the State is in the implementation of the Aboriginal Cultural Heritage Act regulations with a record number of signatures received on an electronic petition in a very short time frame;
- (b) notes the expression of anxiety and concern of landowners and small and medium businesses sector, including pastoralists and graziers, farmers and any contractors or individuals who might need to carry out ground disturbing activity after 1 July 2023 regarding their ability to comply with the new regulations;
- (c) notes the deep concern that the Department of Planning, Lands and Heritage's Permit System will only be operational on 1 July, meaning applicants will need to cease work while they wait for approvals to be processed after 1 July 2023;
- (d) notes the concern that no Local Aboriginal Cultural Heritage Services (LACHS) are yet registered and the associated concerns expressed by traditional owners about implementation of the new laws and challenges establishing LACHS;
- (e) notes that many in the community, including landowners in the metropolitan area, have not been aware of the changes and their obligations under the new Act and this cohort are only now just becoming aware of how the new laws might impact on them; and
- (f) calls on the Cook Government to delay the promulgation of the regulations by at least six months to alleviate anxiety in the community, reduce the risk of business disruption, establish functioning and tested systems, ensure LACHS are properly resourced and functioning, and provide better advice to all parties that are affected, including residential land owners who have blocks greater than 1,100m².
