MOTIONS

42. Finance Brokers Scandal (*Notice given 11 May 2006*)

Continuation of remarks Hon Ken Travers - mins 45 (Wednesday, 20 September 2006) on the motion of Hon Anthony Fels as follows -

- (1) That this House express its concern -
 - (a) at the plight of those retirees and others who have been so badly affected by the Finance Brokers Scandal; and
 - (b) at the inordinate length of time that has passed, since the Government was elected, without there being any substantial satisfaction of the claims of those affected.
- (2) In particular, this House notes that -
 - (a) over 200 mainly elderly retirees affected by the Finance Brokers Scandal have died since 10 February 2001;
 - (b) seven finance brokers, borrowers and others, who were responsible for these losses, have been jailed and a number of others are presently before the Courts or under investigation;

- (c) the then Labor Opposition (prior to 10 February 2001) and the Labor Government appointed Royal Commission into the Finance Broking Industry both condemned the Finance Brokers Supervisory Board for being incompetent;
 - (d) the same total amount of loss of approximately \$130m remains outstanding in 2006 as was outstanding in February 2001; and
 - (e) many of the mainly elderly retirees have been effectively abandoned by this Government and consequentially condemned to a life of poverty or economic hardship.
- (3) That this House urges the Government to take a bi-partisan approach and honour the promise made to these mainly elderly retirees to facilitate a speedy and equitable mediation process to:
- (a) determine the merits or otherwise of the claims against the Finance Brokers Supervisory Board;
 - (b) determine whether the Finance Brokers Supervisory Board is liable for the losses; and
 - (c) determine a fair quantum for settlement of the claims, in the event that the Finance Brokers Supervisory Board is found to be liable.
- (4) This House urges the Government to lay down a time table for the mediation process and for it to pledge its full co-operation and commitment to fund the State Solicitor's Office to engage in and facilitate a speedy, transparent and meaningful mediation process.

Total time remaining on motion - 3hrs 19mins.

43. School Based Apprenticeships (*Notice given 24 May 2006*)

Hon Peter Collier: To move -

That in recognition of the communiqué from the February 2006 Council of Australian Governments (COAG) meeting that legislative, regulatory and education barriers to school based apprenticeships be removed from all jurisdictions by 31 December 2006, this House encourages the Government to urgently establish school based apprenticeships.

44. Greenhouse Gas Emissions Reduction (*Notice given 1 June 2006*)

46. Home Ownership Affordability (*Notice given 12 September 2006*)

Hon Ray Halligan: To move -

That this House condemns the Government for the undue anxiety created for the many first home buyers through its inability in a timely manner to -

- (1) Help reduce the cost pressures on residential land.
- (2) Help reduce the supply and cost pressures associated with skilled labour.
- (3) Meet its election commitments to -
 - (a) address housing affordability;
 - (b) increase social housing stock; and
 - (c) encourage and enable home ownership.

47. Building Industry Sustainability Index (*Notice given 12 September 2006*)

Hon Ray Halligan: To move -

That this House insists that, before the Building Industry Sustainability Index known as BASIX is considered for introduction as a regulatory regime in Western Australia, the Government -

- (1) Listens to the housing industry in Western Australia.
- (2) Provides an audited cost-benefit analysis of the proposed regime.
- (3) Includes in that analysis the additional costs to taxpayers to administer the scheme.
- (4) Identifies other regimes that have been examined and why BASIX is preferred.
- (5) Explains why it wishes to add to the financial burden already being experienced by first-home buyers.
